Markham Secondary School

Bright Minds, Global Futures

About

Markham Secondary School

Registered with the Ontario Ministry of Education, School Number: 8822691

Welcome to Markham Secondary School (MSS), a distinguished academic institution nestled in the vibrant region of Toronto. As a hub of passion, purpose, and progress, MSS provides a nurturing environment where students embark on a journey of profound learning, fostering a deep love for knowledge and a profound respect for scholarly traditions. Embracing innovation and fresh perspectives, our school cultivates an atmosphere where curiosity thrives and students are encouraged to think innovatively.

Our students at MSS not only attain exceptional examination results but also secure admissions to some of the world's most esteemed universities. This success is not only attributed to their enthusiasm for academic inquiry and the dedication of our inspiring educators but also to their diverse interests and extracurricular pursuits that extend beyond the conventional curriculum. MSS serves as an ideal platform for bright minds to share and develop their thoughts and skills, preparing them for a vibrant and fulfilling life beyond school.

An MSS education is accessible to all. Our community is characterized by its friendliness and diversity, welcoming both boarders and day pupils. Students join the school at various stages, and the inclusive nature of our community is evident in the way students support each other through peer-led events, collaborative charity fundraisers, and whole-school productions. We nurture in our students a deep appreciation for learning from the diverse experiences of those around them, encouraging active involvement in current political, cultural, and academic advancements within a secure and inclusive setting.

At MSS, we are committed to ensuring that every pupil enjoys their time, flourishes, and takes advantage of the numerous opportunities available to them. Our responsibility is taken seriously, underpinned by an excellent system of safeguarding and pastoral care. Heads of the Year, tutors, school counsellors, and our School Nursing Sister work collaboratively to guide students throughout their time at the school. Every individual is not only welcome but also valued and nurtured within our community.

Beyond the classroom, MSS embraces the diverse range of hobbies and interests our students have through an extensive extra- and co-curricular program. Dedicated afternoons for sports, competitive fixtures, and a rich cultural environment in music and arts underscore our commitment to holistic development. Whether participating in debating, Model United Nations, inter-school competitions, or House events, students have a plethora of options to supplement their academic education and meet their developmental needs at any time of the day.

Join us at Markham Secondary School, where each student's journey is a unique and enriching experience, and where the pursuit of knowledge is coupled with a commitment to personal growth and well-

Markham Secondary School
Bright Minds, Global Futures

Markham Secondary School graduates will emerge as empowered, compassionate, and innovative leaders, ready to excel in various sectors globally. Armed with a strong foundation in excellence, resilience, and compassion, our students will make a positive impact on the world, driving positive change and contributing to the advancement of society.
